## **Worcester District Medical Society Alliance MSN/NP Scholarship**

The Worcester District Medical Society Alliance, founded in 1948, is an organization made up of physicians' spouses committed to advancing the health and well being of our community. We have a long history of offering educational materials and programs, nursing scholarships, and participating in the community through a variety of programs.

The WDMSA awards scholarship(s) to a MSN/NP student each year. The number and amounts offered are evaluated each year based on the monies available through donations and fund raising. This year the WDMSA will be awarding \$2000 in scholarship to a student attending an MSN/NP program. The Scholarship Committee is currently accepting applications.
