ART & MEDICINE

WORCESTER DISTRICT MEDICAL SOCIETY
**About the Orator**

**Paul Steen, MD**

Paul Steen was in the private practice of internal medicine in Southbridge where he served as President of the Medical Staff. He then joined the corporate world as Vice President of Clinical Development for McKesson Corporation until his retirement in 2005. Dr. Steen has been a member in the Worcester Medical Society and the Massachusetts Medical Society since 1972. He served as WDMS President from 1981 to 1982 and as Editor of Worcester Medicine from 2005-2012. He is a WDMS Delegate and a member of the Executive Committee.

Currently Dr. Steen is an art docent at the Worcester Art Museum with an interest in art as applied to medical student and resident training.

**About the Oration**

The Worcester District Medical Society would be honored by your presence as we continue this two century-old tradition.

**Art & Medicine**

One of the newest tools gaining traction in medical schools and residencies is the use of art as a teaching tool. The trend began in Yale in 1998 and now includes 36 medical schools. It is part of the general expansion of humanities in medicine but focuses on improving observation. Dr. Steen will track its history, demonstrate how it works, and critique its success and failures.

**Program**

5:30 pm — Social Hour / Registration

6:00 pm — Dinner

Oration will begin immediately after the dinner
